[Memory of Nations - Democratic Transition Guide](#)

Practical guide chronicling the democratic transition experience of different countries aiming to help reformers, who are in charge of democratization processes in their home countries, to deal with issues involving security services during transition.

[D+1 Memory Of Nations in Democratic Transition - The Czech Experience](#)

A guide describing the Czech experience of democratic transition written by Pavel Žáček as part of the D+1 Memory of Nations in Democratic Transition project. It summarizes the Czech experience with reconciliation with the previous totalitarian past, legal regulations dealing with prominents of the regime, archives of the secret forces, historical remembrance, and restoration with rule of law. Foreword was written by former dissident, aid to Václav Havel and Minister of Foreign Affairs Alexandr Vondra.

[CEVRO Calendar 2015 - "Margaret Thatcher"](#)

CEVRO has published a wall calendar for the year 2015 from which you can learn something new. The theme of this year's calendar is "Margaret Thatcher". The next year, Margaret Thatcher would celebrated 90th birthday. We really appreciate its contribution to global politics and for this reason we have published this calendar. Each page/month contains basic information (in the English and Czech language) about main occasions of her political life.

[Europe in crisis, what with debts and what next?](#)

Another issue of analytical Policy Studies series published by CEVRO Institute Academic Press is devoted to the issue of debt. It is a currently debated hot topic, which the authors are trying to introduce by using non-technical language, stressing the visual capture of main trends and variables. Each of the authors (Andreas Hoffmann, Josef Mládek and Václav Rybáček) choosed a slightly different approach in order to point out neglected aspects and connections and thus reveal their new views on current issues to the creators of economic policies, journalists and the general public.

[To Pay or Not to Pay with Euro](#)

CEVRO Institut organized a conference To Pay or Not to Pay with Euro. Now we can offer you a book with same name with texts:

- **Philipp Bagus** - The Euro and Competitiveness
- **Pavol Minárik** - Monetary Conditions in the Monetary Union
- **Václav Rybáček** - Euro and Economic Growth

The publication is in full color and bilingual - Czech and English. All the texts are accompanied with many charts.

CEVRO Calendar 2014 - "25 Years Since the Fall of Communism"

CEVRO has published a wall calendar for the year 2014 from which you can learn something new. The theme of this year's calendar is "*25 Years Since the Fall of Communism*". Each page/month contains basic information (in the English and Czech language) about selected countries during their revolution period, with their key characteristics and forms. Moreover, we have integrated two socialist (Cuba, North Korea) countries in the calendar as well as dismantling of the Council for Mutual Economic Assistance and the Warsaw Pact.
